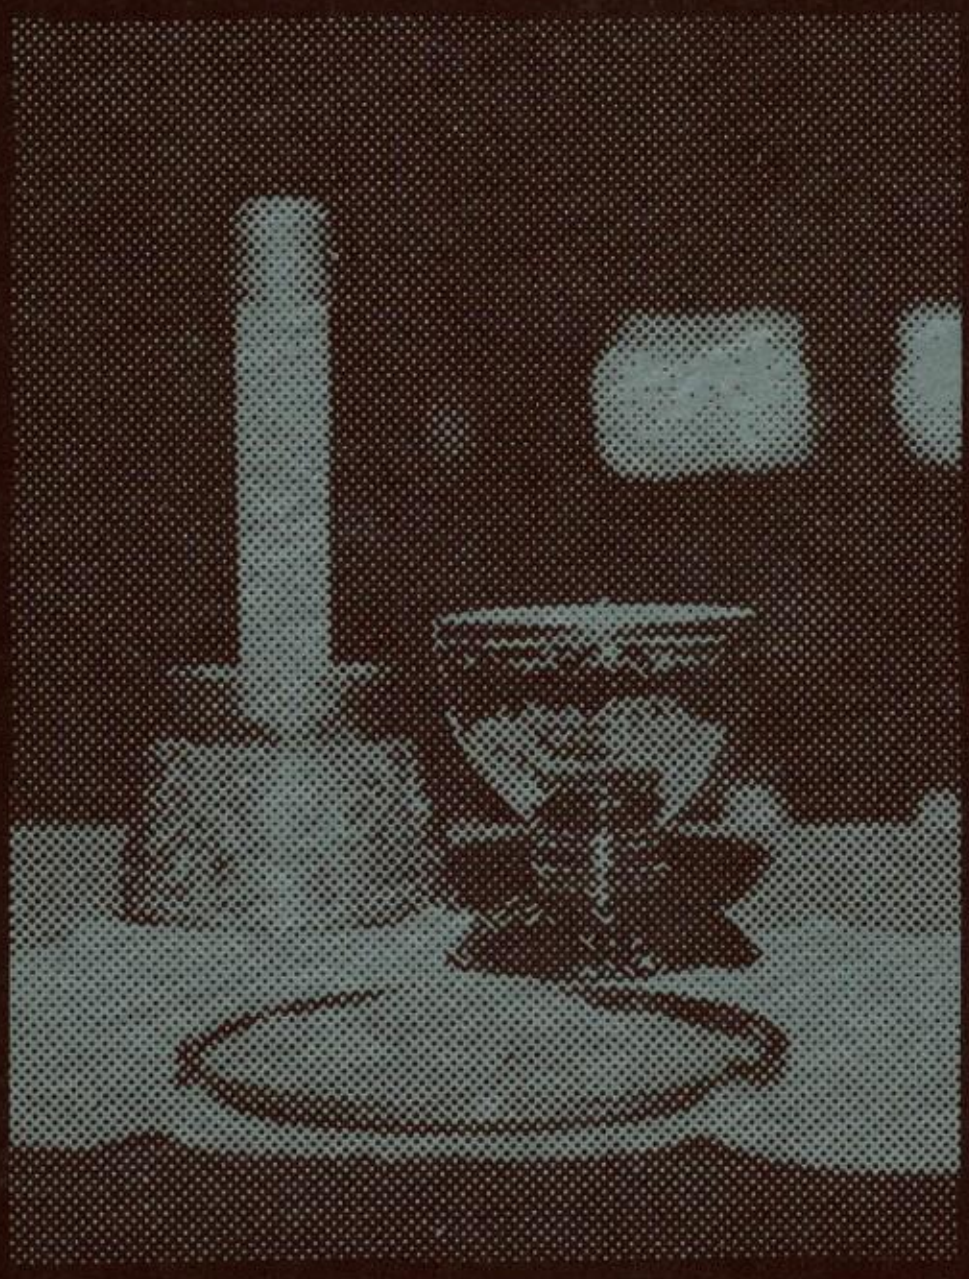
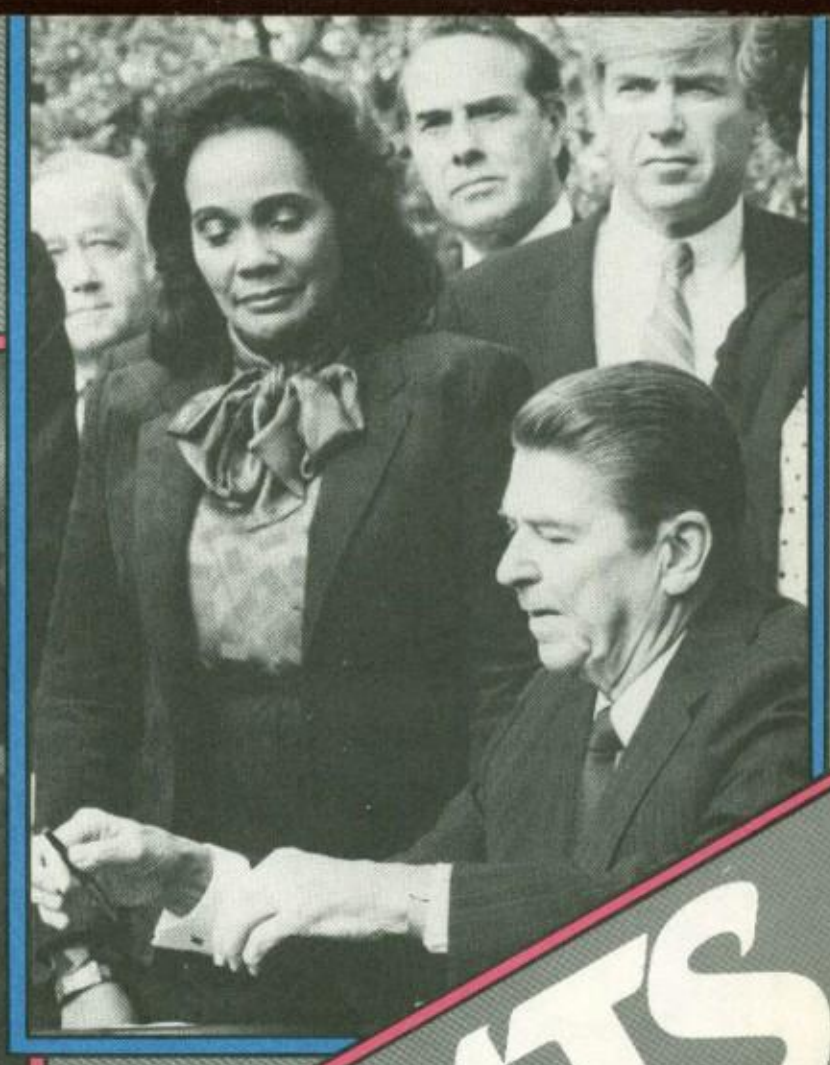
THE FLAME '84



A JOURNEY

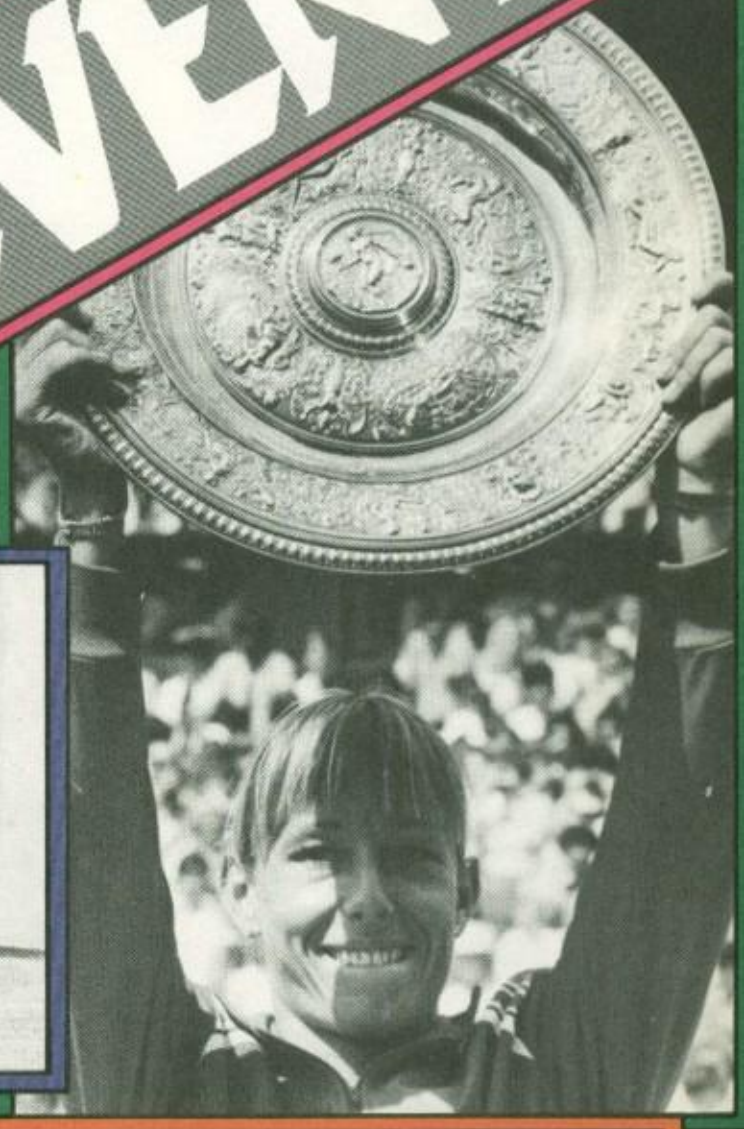
CURRENT EVENTS

NATIONAL HOLIDAY — President Reagan signed a bill making Martin Luther King, Jr.'s birthday a national holiday.



COMPUTER COMPLICATIONS — Matthew Broderick starred as David Lightman, a high school student who inadvertently hooks his home computer into the U.S. government's North American Defense Command computer in the movie hit "War Games."

TAKES CHAMPIONSHIP — Defending champion Martina Navratilova defeated Andrea Jaeger to win the Wimbledon Ladies' Singles Championship for the fourth time.



AP/WIDE WORLD PHOTO

GRENADA INVASION — American Troops, along with a multinational force, invaded the island of Grenada after a coup and successfully secured it.

CENTENNIAL CELEBRATION — Fireworks exploded over the Brooklyn Bridge to mark the 100th birthday of the giant span.

FOR 1983 ~ 1984

FINAL M*A*S*H — The final episode of M*A*S*H aired in February of 1983. Original cast is shown on the left and closing cast on the right.

GOING APE — A 3,000-pound, eight-story high, vinyl King Kong clung to the Empire State Building in New York to commemorate the movie made 50 years ago.

TOY CRAZE — Cabbage Patch Kids, complete with birth certificates and adoption papers, were hot items with holiday shoppers.

CUP GOES DOWN UNDER — The yacht "Australia II" became the first challenger to take the America's Cup in 132 years, defeating the defender, "Liberty."

THERE SHE IS — In September a Syracuse University coed, Vanessa Williams, was crowned Miss America for 1984.

FLASHY MOVIE — Nineteen-year-old Jennifer Beals starred in the hit movie "Flashdance" and firmly established the torn sweat shirt as one of the year's fashion fads.

FRONTIERS . . .

At LCC we are constantly branching into new frontiers. Every year is full of activities to show school spirit, grow in knowledge, and help us enjoy our school days to the fullest.

Among this year's memorable activities were placing in the State Band Competition, breaking our losing streak in football, the school wide Spelling Tournament, and the faculty's Capricious Cupids.

As this year draws to an end, we hope that we always will continue search for new frontiers.

Mr. Clark gives Mrs. Straub a hand

Do you think I'll be blue forever?

As you eat your delicious lunch in the cafeteria, please take note of the wonderful new paint job. On October fifteenth, the teachers of LCC, inspired by Miss Moore, decided to moon-light and paint the cafeteria. Despite occupational hazards, like paint fumes, the job was finished and it is a great improvement. As Ms. Manghelli said with a little help from Shakespeare, "If it were done when 'tis done, then 'twere well it were done quickly."

The 3rd of October marked a most important day in the life of our principal Mr. Dan Rupert. On that day Mr. Rupert celebrated his 40th birthday.

To honor him all of the students gathered in the gym for a huge surprise party. He received many useful and needed gifts, for example, a bottle of Grecian Formula "to hide the embarassing gray that was slowly appearing. Also, some of the students put on a skit depicting the trials and tribulations of turning 40 and being principal of LCC.

Even a song was written in remembrance of the day. It was titled "The Rupert Rap" written by Lisa and Michele Truitt.

"The Rupert Rap"

Prepare yourselves for a mid-life crisis there's a birthday boy and he's right beside us He's got funny shoes and it's plain to see that he's the principal of LCC.

We all know he jams everyday. He shoots us a line of the ol' P.A.

He says "Son you gotta sell, sell, sell if you wanna stay cool and Hello everybody, ah lets rap a tune Happy Birthday Mr. Dan. We can see you're a Man.

So let's party until next June.

Mr. Barnhart has been offering a course in computer for 4 years. Participants receive fifteen hours of teaching for a fee. The course is open to students and outsiders as well. The course taught in BASIC or Beginners All-purpose Symbolic Instruction Code.

BASIC is just one of several computer languages. In the course students become familiar with some of the computer hardware, such as the compiler which converts English language into machine language. The machine language is called Binary code which is a system of ones and zeros. Even though people have computer knowledge, most don't program machines, they just recall what has already been programmed or buy software pre-done programs. Pre-done programs are either on discs or tapes. Discs seem to be the best bet because they're faster and a back-up disc can be used to catch lost programs. Mr. Barnhart said that when the course is advertised there are a lot of interested adults as well as students.

Mr. Barnhart went on to say that we shouldn't be afraid of computers because the greatest changes have been made. If a person becomes familiar with computers and understands their capabilities and their limitations, a computer is a tool that can save time and money.

BAND COMPETES AT STATE

The 83-84 Thunderbird Marching Band performed in five competitions this year. The first competition was at Tipp City where we qualified for State, for the first time in L.C.C.'s history, with a Superior Rating of 1. We also received an award for outstanding Color Guard. At Delphos we received an Excellent Rating of 2 along with second place Field Commanders. At our third competition we again scored a Superior Rating, which reaffirmed our ability for Statewide Competition. Our fourth contest was at Edgewood High School where we proudly received a third place award, but also took a first place Drill Team award. Finally, State Competition, at Otterbein College we went home proud with an Excellent Rating of 2 and again a first place Drill Team. Mr. Gregory, our band director, sums it up in this amusing little quote: "And a one, two, and you know what to do."

SPIRIT WEEK

And the winner for the 1983-84 Spirit Week is . . . the Juniors with the theme Grocery store.

Other creative themes were; Freshmen with Arcade, Sophomores with Circus and the Seniors with T.V. Shows.

To get the contest underway, many of the student's volunteered their free time to decorate the halls.

Although the temperature reached into 90's, the students did a great job.

The contest was judged on creativity, how well the students worked together, spirit, and mass attendance.

Just one more "Thanks" to all of the Students who volunteered their time to make this year's Spirit Week one of the best ever!

Now, no one can say, that the students at L.C.C. are lacking Pep and Enthusiasm because our Spirit Week proved them wrong!

T-Birds break 23 game loosing streak

It had been quite a while since the Thunderbirds had tasted victory. on the grid iron, and they were hungry. All year the ball had bounced the other way. But tonight in the sixth game of the season things suddenly began to change. On this night they would be transformed from a 0-23 team to a brand new 1-0 team as the second half of the season began.

This group of fighting T-Birds never gave up and in doing so helped turn the LCC football tradition back to a successful one.

The Freshman Football team had one of its finest seasons ever. They won five and tied one for the first undefeated team since the 1975-1976 season.

Some of the reasons for this fine season were the teamwork, the dedication, and determination by giving the best effort they could. They should have many fine seasons to come.

Both the boys and the girls Cross Country teams had very successful 1983 seasons.

The boys Varsity Team established the school's first undefeated season with a record of 15-0 in duel meets. They captured first at the Celina, Van Wert, and Fostoria Invitationals and placed third at the Perrysburg Invitational. They also placed first at the All-Allen County Meet. At The Ottawa Sectionals, the Varsity Team was runner-up, a placement which qualified them to run in the district meet held in Tiffin. The team finished the season by placing eighth in the district. For the second straight year, Steve Taflinger qualified for State. There were four seniors on the Varsity Team.

For the second time in L.C.C.'s history, the girls Cross Country team advanced to State. To accomplish this they were runners-up at the Celina, Van Wert, and Fostoria Invitationals and took first at the sectionals in Ottawa and were runners-up at the districts in Tiffin, all of which qualified them to run in the state meet. This was the third trip to Columbus for top runner Julie Schomer. The girls' team will only lose one girl at graduation.

HOLIDAY TOURNAMENT

HOLIDAY TOURNAMENT

In the first game of the Holiday Tourney the Thunderbirds went against rival Shawnee.

After jumping out to a 10 point first half lead the T-Birds had to overcome a Shawnee 3rd quarter comeback to win by 19 points. Led by seniors Bruce Hodges and Tommy Johnson with 16 and 14 points respectively they put the team at 6-1.

In the finals L.C.C. faced cross town rival Lima Senior who owned an identical 6-1 record.

The T-Birds jumped out to an early lead but trailed by one at half. In the 3rd quarter Lima Senior upped its lead to 12 but then T-Bird pride took over and they were only down 2 at the end of the third quarter. L.C.C. kept the game close but great foul shooting by Lima Senior led to their downfall in a valiant comeback attempt and at the final buzzer the T-Birds had lost by a final count of 72-68.

L.C.C. DECA

The Distributive Education class at L.C.C., under coordinator Bill Gordon, experienced yet another successful year. DECA gives the students a change to understand business, and how businesses operate.

To understand area businesses better the DECA class was involved in a Free Enterprise Day. On this day all of the DECA students were placed with local government personell and business people. This day was highlighted by a luncheon in the school gym, which was attended by city, county, and school officials.

Other activities of DECA include competitions with area schools, which give every winning student a chance to participate at the state level in Columbus.

Occupational Work Experience, commonly referred to as O.W.E. is a work experience program through vocational education. The program is designed to teach students about many things that will be beneficial to them in the world of work and the world in general. It is the hope that these students will be better prepared for the everyday things that face them as young adults. The students work in area businesses and receive school credit for this work experience. Many of these students find that O.W.E. helps them adjust better to the school and gives them a new meaning to education. O.W.E. is instructed by ***Mrs. Carin Pitts***

SUPERIOR
METAL PRODUCTS
DECORATIVE TRIM MANUFACTURERS

- Headquarters — Lima, Ohio
- Locally Owned

SMP STORY

Superior Metal Products, Inc., is Lima's only remaining locally owned industry and has been in business since 1951. With 350 employees and a payroll in excess of five million dollars per year, SMP has greatly contributed to the economic growth and health of Lima and the surrounding communities.

From a two car garage of 500 square feet, Superior has grown to a total of seven plants located in three states: Ohio, Michigan and Georgia with a total under roof capacity in excess of 300,000 square feet.

SMP and its employees believe in being good citizens in the community. Individual and corporate time as well as money is donated on a voluntary basis for all Limaland community projects. From sponsorship and participation in Junior Achievement activities to support of the proposed civic center, SMP and its employees believe in our community.

The management and employees of Superior Metal Products are now and will continue to work in maintaining and developing the Limaland area as a great place to live, work and play.

WORLD'S LARGEST SUPPLIER OF APPLIANCE
HANDLES, TRIM AND REFLECTOR PANS

You as a Limaland homemaker probably have parts manufactured by Superior Metal Products on your kitchen range or microwave oven.

SOME OF THESE PARTS ARE:

Oven Door Handles
Range Backguards
Range Reflector Pans
Oven Door Frames
Range manifolds
Range Reflector Bowls

THESE DISTINCTIVE PARTS ARE FOUND ON QUALITY APPLIANCES MANUFACTURED BY SMP CUSTOMERS.

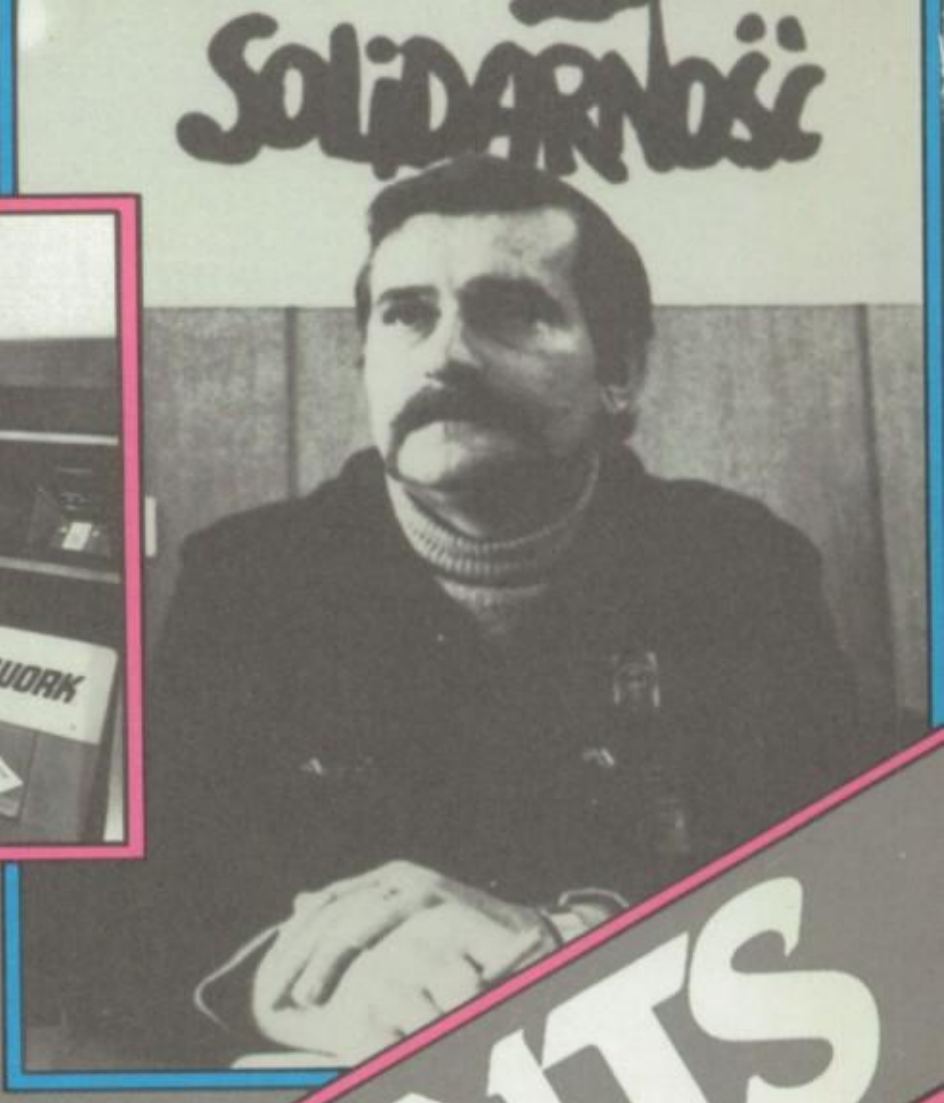
CURRENT EVENTS

NOBEL PRIZE — The 1983 Nobel Peace Prize was won by Polish labor leader Lech Walesa, who was prevented from leaving Poland to accept the award personally. His wife and son accepted it for him in Oslo, Norway.



MONEY MACHINES — Banking continued to change as more and more people began to use automatic tellers to handle their financial transactions.

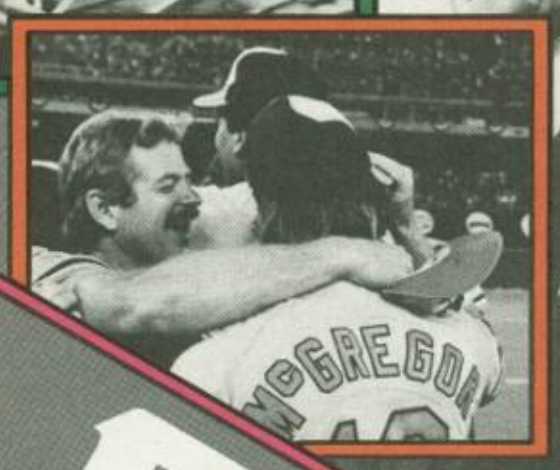
TOP ENTERTAINER — Videos "Beat It" and "Say, Say, Say," along with the year's #1 LP and movie short "Thriller," confirmed Michael Jackson as '83's top entertainer.

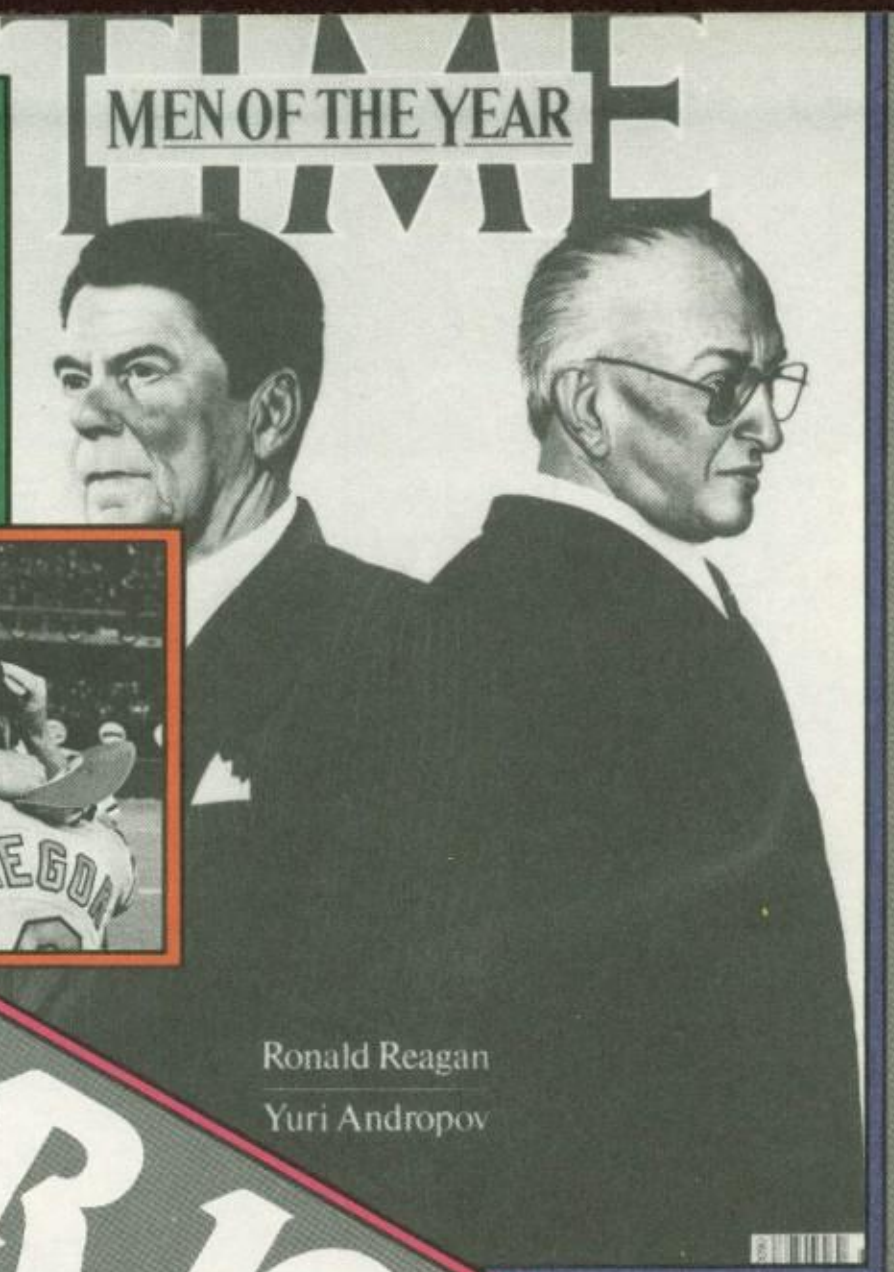
BEIRUT BOMBING — On October 23, the U.S. Marine headquarters at Beirut International Airport was leveled by a truck bomb, killing 218 Marines.

AP/WIDE WORLD PHOTO

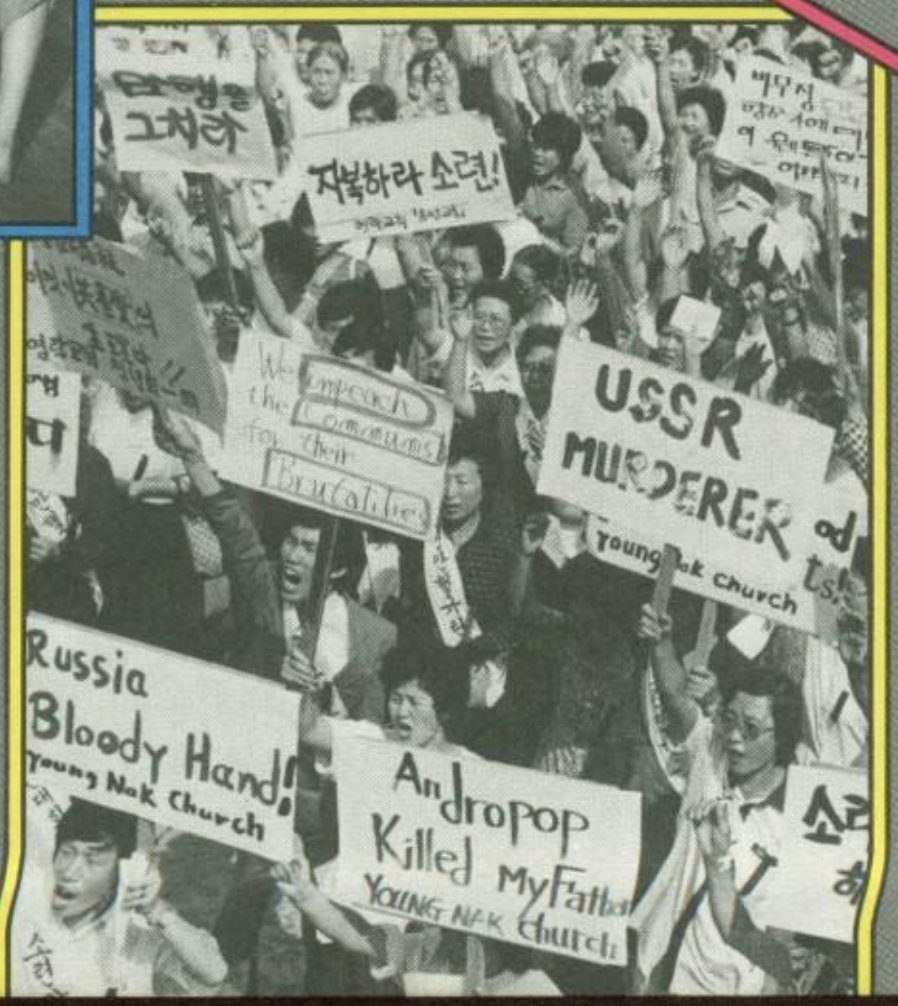
SPACE FIRST — Guion S. Bluford, Jr. became the first black in space with his flight aboard the Challenger in September.

RIDE, SALLY, RIDE — The first five-member crew of the space shuttle Challenger included Sally Ride, first woman in space, John M. Fabian, Commander Robert Crippen, Norman Thagard, and Frederick Hauck.





FOR 1983~1984



MEN OF THE YEAR — President Ronald Reagan and Soviet Leader Yuri Andropov were named *Time's* Men of the Year. Andropov died in February, after being absent from the public eye for several months.

SHAPING UP — Actress Jane Fonda promoted the videotaped version of her popular exercise program. Aerobics and working out became a part of even more Americans' lives.

MOST VALUABLE — Baltimore Orioles catcher Rick Dempsey hugged pitcher Scott McGregor after the Orioles beat the Philadelphia Phillies to win the 1983 World Series.

BREAK DANCING — The popularity of break dancing, and a related dance form called popping, grew among those interested in new ways to strut their stuff.

BOWIE'S BACK — After a five-year layoff, rock star David Bowie resurfaced with tours in Europe and the U.S., two films, an album, and video.

KOREAN FLIGHT 007 — A Korean jumbo passenger jet was shot down by the Soviets after it strayed into *Soviet airspace. All 269 people aboard were killed.*
